

## 1901 Winchester 94 30/30 Lever Action Center Fire Rifle

\$2,500 or Best Offer

- Produced in 1901, only 17 years after Winchester started making it
- Designed by the legendary **John Browning** for Winchester
- Has **octagon barrel** and **walnut wood**
- Has a **nickel steel barrel** (in very good shape), iron sights, and all parts are **quality forged steel** parts such as the action pins (later ones had stamped metal parts)
